

Surfboard – Dave Hause

[Intro] **G G G G**

[Verse 1]

G G C G
I've been finding myself praying, have you seen the shape I'm in?

G G D D
I've been cleaning up my act after a weekend's worth of sin

G G C G
This past year I got let go and then the rent got hard to pay
G D G G

So I'm finding myself kneeling down to pray

[Pre-chorus]

C G D G
I keep them clear and small, little prayers that won't hurt at all

C G D D D D D D
Clear and small; whispered words float through the walls

[Chorus]

Like Dear Lord, I need a surfboard

G G D D
Cause I can't figure out how to not drown in these waves

G G C C
Dear Lord, I saw your billboard

G G D C D G G G G
About hell and fire and how I need to be saved; so I'm praying straight away

Waiting for a lesson on how to swim
